

# Science London Presents Science in the pub

## Building robots for fun and profit

Rich Walker, who built Rex the "Bionic Man" will talk about what robotics is about, where it could go, and some of the interesting problems in the domain.

**Wednesday 27th March 2013**

**The Lamb**

**92 Lambs Conduit Street,**

**WC1N 3LZ**

**7pm**

**FREE!**

Science London is part of the  
British Science Association (charity number 212479)
